**Mary Smith Campaign Kick-Off**  
**Sept 10<sup>th</sup>, 7pm at Bridgenorth Community Hall.**

Mary Smith, candidate for Reeve of the Township of Smith-Ennismore-Lakefield, is holding a Campaign Kick-off event on Friday, Sept 10<sup>th</sup> at 7pm in the Bridgenorth Community Hall. There will be music and refreshments and everyone is invited.

“I have had such an overwhelming amount of encouragement and support so far in this campaign that I decided it would be a good idea to get all my campaign volunteers and supporters together for a fun evening. With Smith-Ennismore-Lakefield being such a large township, only an event like this will give my supporters a chance to meet each other.” says Smith. The township has approximately 17,500 voters and covers a geographical area of 318 square kilometers.

Smith is committed to progressive leadership, has 13 years of municipal experience and provides strong representation at the County of Peterborough.

The Bridgenorth Community Hall and Library won the 2009 Green Building Wood Design Award for the use of wood in innovative construction projects. “I chose to hold this Kick-off in this new hall, to showcase this significant Township achievement during the past four years.” states Smith.
